LICENSING OBJECTIVES		
Describe the steps you intend to take to promote the four licensing objectives:		
a) General – all four licensing objectives (b,c,d,e)		
List here steps you will take to promote all four licensing objectives together.		
This is an application by Big Mamma for a new premises licence at 1-6 Lombard Street.		
By way of background (not intended to be included as conditions) Big Mamma was formed by three Frenchmen who loved Italian food and have 6 venues in the UK with 5 existing sites in central London all of which specialise in authentic Italian food of high provenance in a uniquely Italian environment.		
The site is currently vacant and work ongoing.		
There was a pre meeting with representatives of licensing and Environmental Health (noise) on the 5 December.		
The applicant is close to exchange of contracts to take a long lease of these premises and turn it into a high quality Italian style restaurant.		
The premises will trade on the ground floor only with back of house in the basement.		
There is a lobby at the front which will aid any noise prevention.		
The premises will trade predominantly as a restaurant although no restaurant condition is offered to give the applicant maximum flexibility.		

This is a substantial investment in the city and the Big Mamma group hope that it will be a successful addition to the daytime and late night economy.

The other premises trade as restaurants despite several having later hours because that is the core business and the

The occupancy is likely to be 200 and the majority of customers will be seated at tables dining but there is a bar at which

customers will be welcome to have a drink who are not necessarily eating.

- 1 The premises shall install and maintain a comprehensive digital colour CCTV system. All public areas of the licensed premises, including all public entry and exit points will be covered enabling facial identification of every person entering in any light condition. The CCTV cameras shall continually record whilst the premises are open to the public and recordings shall be kept available for a minimum of 31 days with date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public. This staff member shall be able to show the police or the Licensing Authority recordings of the preceding two days immediately when requested.
- 2. There will be no off sales of alcohol from the premises other than in a sealed container.
- 3 An incident log shall be kept at the premises and made available on request to the Police or an authorised officer of the City of London Corporation. The log will record the following:
- (a) all crimes reported to the venue
- (b) all ejections of customers
- (c) any incidents of disorder (disturbance caused either by one person or a group of people) [There is no requirement to record the above incidents (a), (b) or (c) where they do not relate
- to a licensable activity]
- (d) seizures of drugs or offensive weapons
- (e) any faults in the CCTV system or searching equipment or scanning equipment
- (f) any refusal of the sale of alcohol during the hours the premises is licensed to sell it.
- c) Public safety
- 1. Promoted events will not be held at the premises. A promoted event is an event involving music and dancing where the musical entertainment is provided at any time by a disc jockey or disc jockeys one or some of whom are not employees of the licensee (premises licence holder) and the event is (independent of the licensee) promoted to the general public.
- d) The prevention of public nuisance

See box b), c) and e)

- e) The protection of children from harm
- 1. A Challenge 21 Scheme shall operate to ensure that any person attempting to purchase alcohol who appears to be under the age of 21 shall provide documented proof that he/she is over 18 years of age. Proof of age ID must bear a photograph, date of birth and a holographic mark or an ultraviolet feature.
- 2. All staff members engaged in selling alcohol on the premises shall receive training (which may be electronic) pertinent to the Licensing Act, specifically in regard to age-restricted sales, and the refusal of sales to persons believed to be drunk. Induction training must be completed prior to engaging in any sale of alcohol. All training in selling alcohol undertaken by staff members, including refresher training, shall be documented (which may be electronic). All training records will be kept at the premises and shall be made available upon request to the Local Authority Licensing Officers and/or an officer of the Police.

# NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

# Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

# Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <a href="https://www.gov.uk/prove-right-to-work">https://www.gov.uk/prove-right-to-work</a>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
