VARIATION

Do you want the proposed
variation to have effect as
soon as possible? Yes No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

Yes No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

To vary the layout of floor 58M(part) (all other floors to remain as existing) in accordance with plans supplied by the applicant.

This floor was granted as a private dining room and lounge with toilets and extensive kitchen.

The proposal now is to create a large kitchen and training area which will be a mixture of development, production and support for the existing other trading floors. It is also proposed that it would be available for hire for example a cooking masterclass with wine.

For that reason, we wish to retain the floor as licensed but, as you will note in terms of its trading area, it is considerably less than the approved plan.

All licensable activities, permitted hours, opening hours and conditions to remain as existing.
