

Barbican Estate - Window Cleaning Schedule - 2025

Please leave your balcony glass balustrade and privacy screens accessible for the Window Cleaners to enable them to clean your glazing without moving your personal property. If this is not done, we cannot guarantee that your windows will be cleaned.

The schedule is laid out on a weekly basis and the order of the blocks cleaned within the scheduled week may vary due to certain conditions (i.e. weather/wildlife etc.)

If any issues arise with your window cleaning then please report them to your House Officer within five working days of your scheduled clean.
