THIS IS AN EXTERNAL EMAIL

The Bevis marks area has been protected for many years when I leased the surrounding properties including the Dukes place synagogue and most of Bevis Marks. Most of the new developments in the City are unoccupied and only built in the hope that someday someone will rent them before the development company has to repay their funding and liquidate. Stop the emptying of the city and at least insist on turning the empty properties into residential.

Regards

Paul Frankenberg

Previous member of City Lands.
