Chapter 1 Spatial Priorities, Para. 1.4	<p>1.4 Your first priority is to expand office space. 1.4 says you favour retrofit. But you want to destroy and build new in the Barbican at London Wall West. Incompatible. And wrong. Stick with your environmental objectives, which do not require unlimited new office space for the City. London needs housing not more offices.</p> <p>You should stop approving new development where retrofit can be achieved.
